- The scholarships listed on page 2 require a separate application form/process.
- Most scholarships are available to any student planning to study as part of a technical/trade, 2-year, or 4-year program next year. Several scholarships are tagged specifically to students planning to study at a 2-year or technical/trade program.
- It is worth your time to apply!

Scholarship winners will be recognized at the Westonka Scholarship Awards Night on Wednesday, May 14th.

An invitation to Scholarship Awards Night will indicate that a student is being awarded a scholarship, but in most cases students will not find out specifically which scholarship they will be receiving until that evening.

Once scholarship winners complete the first grading period at their post-secondary institution in the Fall of 2025, grades must be submitted to the high school counseling office. Upon receipt of grades, scholarship checks will be sent.
(*Some donors handle scholarship payout a little differently. Specifics will be included in spring email communication.)
