March Theme Cooperation

For the month of March, we are going to focus on Cooperation. Cooperation is "Working together to reach shared goals." and helps us build skills to work in different groups at Hilltop.

Classes will be focusing on activities during Homeroom and Morning Meeting that will also develop skills like perspective-taking, conflict resolution, leadership and being a helpful follower.

Please talk with your child about what Honesty means in your family!

Bringing It Home

What can you do at home to support the theme of Cooperation?

This week, plan a time where everyone needs to work together to accomplish a shared goal like cleaning up the space you live in or making a meal together.

Make sure everyone has a role to play with specific tasks. When the project is complete, discuss and celebrate how each person's part was important to the end result.!
