PBIS: What is it?

PBIS, also known as **Positive Behavioral Interventions and supports**, is an approach that enhances academic and social behavior outcomes for all students.

The underlying theme is to teach positive behaviors the same way we would teach academic subjects.

September Theme RESPECT

"Seeing value in all people and things & treating them with care."

We encourage you to have discussions with your family about what respect means to you and how you can practice it with your family.

We use "Stop and Think Tickets" as a way to consistently address behaviors that need improvement. If students are unable to show SOAR behaviors after reteaching occurs, a minor ticket will be given out. If a student receives multiple Stop and Think tickets they will be referred to the office. Please have a conversation at home about Stop and Think Tickets.

How does it look at Hilltop?

At Hilltop, we use **S.O.A.R.** in all areas of our school, as well as our monthly themes and we encourage you to use this at home as well.

We create a **SAFE** environment, we **OWN** our actions, we **ACHIEVE** our goals, and we **RESPECT** others.

These concepts are taught and reinforced every day. You can see our SOAR matrix [HERE](#).

You can also use this [blank SOAR](#) matrix so you can fill it out at home. Also available on the Hilltop Website.

SOAR slips are handed out to students who are showing exceptional White Hawks SOAR behaviors. This slip is turned into the office and names are entered in a drawing for fun prizes! The slips are then sent home periodically for you as a family to celebrate and display proudly.
