Share our Success

- Winter Parties – clarification made that the PTA provides treats for Halloween, Winter and Valentines parties. Positive feedback on Veggie Straws and Veggie Chips
- Pastries for Parents – Positive feedback on buffet-style as opposed to plated food. Donated items for Ronald McDonald House no longer need to be portioned out into baggies.
- Winter Spirit Wear Sales - \$247 up over previous winter, might do a spring sale
- Other – Ms. Bray won't be able to do 4th grade concert this year due to Operetta, has asked to move money set aside for concert to be used for Operetta expenses

Principal Report

- School Updates (Scott Eidsness) – over \$10,000 raised for Pennies for Patients. Mr. E will be camping out in May along with students who raised \$100 or more. Details to come. Ryan Fox is working on itemization of cost of what will go into the outdoor classroom space. Renderings are done, will share with us soon. Kindergarten roundup was a success. 58 families attended, which is a good number for this time of year. Hilltop had 93 families, though.
