

School's Out Day Information! 2017-2018 School Year

General Information

- School's Out Days is full day care for Adventure Club families on days when school is closed for things like MEA, teacher workshop days, Spring break, etc. More information about themes and what days we'll be going on field trips will be released about a month prior to each set of School's Out Days. Adventure Club families are not contracted for these days so you must register for them separately if you need care. You will only be charged for the days you register for.
