Meals

Breakfast (7:00 - 8:15 am) and a morning and afternoon snack are provided daily. Hot lunch will be provided Monday - Thursday. Families are responsible for bringing their child a bag lunch each Friday as we go on off-site field trips.

Field Trips

Weekly off-site field trips run each Friday and majority of the last week of programming. Field trip locations range from a variety of places, including things like: water parks, museums, indoor play areas, parks, movie theaters, and much more! No staff or students stay behind on field trip days so please note that if you register for Fridays, your child is required to attend the field trip with us unless they are picked up prior to departure.

Youth Enrichment Classes

All Adventure Club students will participate in youth enrichment classes Monday - Thursday as part of their daily routine. Families choose the classes they would like at the time of registration (on a first-come basis). Youth enrichment classes run for a total of 8 weeks (4 sessions of two-week classes) from 9:00 am to 12:00 pm for grades K - 4. Preschool will have enrichment classes from 9:00 am to 11:00 am and grades 5 - 7 will have classes from 9:30 - 11:30 am.

Vacation Time

Vacation days are allotted based on the number of days per week your child is registered. For example, if you are registered 5 days per week, you will receive 5 vacation days for the summer, etc. Once you have requested and used your allotted time off, payment is required for absences (vacation time is not allotted to families who choose the Pick Your Day contract option).

Register Now!

Online registration will open at 8:00 am on Monday, March 5, 2018. All currently enrolled Adventure Club families with no outstanding balances will receive one week of priority registration. After this week, any remaining spots will be filled with new contracts in the order they were submitted. Registration will remain open until Friday, May 18th (or when full).
