What to keep in mind when registering for classes

- High school graduation requirements
- Plans for after high school (including college admissions requirements)
- Interests and abilities
- Classes that you may want to take in 12th grade
- Sign up for a challenging yet manageable course load
- Always easier to drop a class for a student prep period later (not as easy the other way around)

**Your course selections
play an important role
in creating the master
schedule for next year!**

- Please make thoughtful selections.
 - Do research and get your questions answered prior to submitting requests.
 - Future changes to course selections are not guaranteed.
-

Elective course selections are only requests at this time

- We do our best to honor your first choice selections, but sometimes that is not possible (course is cancelled due to low enrollment, conflict with another course, etc.)
 - Therefore, each students will be asked to identify 3 alternate elective course options.
-

Final Reminders:

- Registration Window: January 12th - January 27th
 - There is an [instructional video](#) online to remind you how to submit your requests.
- Register online through YOUR (student) Skyward account
 - 14 semester classes AND 3 alternate electives
- Discuss options with parents, teachers, counselors prior to submitting your requests. No guarantee you will be able to change later.
- Counselors will be available during WIN sessions on January 26th to answer questions and help with course selection as needed
