

Hello, my name is Nikki, I'm a hiring manager for the Dominos locations in the area. I am reaching out wondering if you have any programs set up to help students find employment, or if there's any way we could reach out to your students with possible job opportunities. We are currently looking for part time or full time CSRs, Drivers, and Managers. We offer very flexible scheduling and full training. If this is something you would be able to help us with and would like more information please let me know. I look forward to hearing from you. Thank you very much for your time and consideration.
