NATIONAL HONOR SOCIETY INVITATION GUIDELINES AND COURSE REQUIREMENTS

Members of the junior and senior class who have achieved a **cumulative grade point average (GPA) of at least 3.5 on a 4.0 scale *may be invited*** to apply for provisional membership in National Honor Society during the first quarter of the school year. Candidates will be evaluated on the basis of scholarship, service, leadership, and character when being considered for admittance.

NOTE: Once a student accepts an invitation to be a member (provisional or inducted) of the NHS, failure to meet the course requirements described below during each semester of their membership, will result in being placed on probation prior to being permanently removed from the NHS.

Each year NHS members (provisional or inducted) are required to be enrolled, and earn credit, in courses equaling four full-year credits from the list of courses below to remain eligible for membership.

Upon acceptance to the NHS, students will have access to an electronic copy of the complete chapter bylaws, at their first meeting. However, to assure they are on track academically, we have included a list of the approved NHS courses offered at MWHS below. Per the bylaws, candidates' coursework shall show progress toward graduating on-time and courses taken shall be regarded as College Preparatory in nature. Therefore, all NHS members (provisional or inducted) are required to be enrolled and receive credit in courses equaling four full-year credits from the list of courses below.

PSEO STIPULATIONS FOR NHS QUALIFICATION

(to stay consistent with requirements for students who attend MWHS full-time)

- In order to be considered a full-time student and maintain NHS eligibility, candidates must enroll in the equivalent of 3.0 full high school credits **each semester**.
 - One semester PSEO course worth 3.0 or more college credits = 1.0 high school credit.
 - One semester PSEO course worth 2.0 or fewer college credits = .5 high school credit.
- Candidate's PSEO coursework must show progress toward graduating on-time (when converted into high school credit added to the transcript) and throughout the course of the academic year must fulfill 4.0 high school credits in the areas identified above (English, Math, History or Government, Science, Intermediate or Advanced World Language, Engineering, Business, Auditioned Musical Performance or Advanced Fine Arts).
- Candidates must also maintain a cumulative GPA of at least a 3.5 on a 4.0 scale each semester in order to sustain membership in the NHS.

Examples (assuming all PSEO courses taken are worth 3.0 or more college credits):
