- Breakfast & Lunch are FREE for the entire school year
- It extends your food budget and saves you time preparing breakfast and lunch
- It's comforting & familiar to your kids to have food from school
- It's confidential & not just for low income people
- You're helping the Westonka Foodservice program to stay financially afloat
- USDA (United States Department of Agriculture) is covering the cost of these meals
- You're not taking it away from someone who needs it more

- Breakfast and Lunch will be handed out at the same time.
- Breakfast will consist of a cook's choice meal; grain, or grain and protein plus a juice and milk.
- Lunch will consist of a grain, protein, fruit or vegetable, plus a milk. Visit Westonkafoodies.com for our lunch menu.
- **GRAB UP TO 7 MEAL BAGS PER STUDENT.**

Please note these times are approximate and will be updated online as needed.
