Students with Lactose Intolerance

Dear Parent,

State law (Minnesota Statutes 124D.114) requires a Sponsoring Authority of school meal programs to provide an alternative for a student with lactose intolerance if the parent has requested an alternative in writing. The current approved substitute that Food & Nutrition Services provides is *Land O'Lakes Dairy Ease*. For more information on Lactaid visit www.lactaid.com.

Please complete the form below if you need to request lactose-reduced milk for your child and forward to my attention. If you have any questions, please contact me at 952-491-8084.

Respectfully,

Laura Metzger, RD
Director of Food & Nutrition Services
Westonka Public Schools, #277
