

Fun filled facts about Beth Harstad.
In my 35 year career I taught first, second, fourth and fifth.
I always said,
"I get to go to work!"
"Work hard, play harder!"

Highlights

1. I got married during my second year of teaching. My name was Rassmussen and changed to Harstad. One little first grade boy called me Mrs. Heart Throb for 3 straight days. I NEVER corrected him.
2. Grumpy Old Men - We played pranks on each other....I took one right out of the movies. I put a frozen fish under Tom Osborn's driver seat in a rusted out Ford Bronco.
3. PreSchool Students at Hilltop - The kids were learning the letter B and Jess Fawley would often bring the kids by my classroom to wave. I told them my name was Beth and then in my next breath I said... actually my name is Beautiful Beth. YEP, for the rest of the year they called me Beautiful Beth. Mindy Barrett after hearing them day after day call me Beautiful Beth said, "That is a cup filler every single day!"
4. Wolf Ridge is the most EPIC educational experience I've ever been involved with as a chaperone and Co-Director. Thanks Tom Osborn and Doug Hage for leading the charge many years ago.
5. My Life Long Love for cross country skiing and bike riding started with Hilltop teachers after school lead by Galen Miller. THANKS
6. So many staff that I've had the awesome opportunity of getting to know and learn from each and every single day. THANK YOU!
7. THANKS A MILLION to my beautiful family for ALL the support and love! Let the EPIC ADVENTURES continue...I'm so excited! THANK YOU!
