

Congratulations to our  
2021-2022  
Westonka Public Schools  
Retirees!

# Debra Gibbs, Hilltop

I plan on spending A LOT of time with these little nuggets. I love venturing out on my electric bike. Heading south to be warmer in the winters with my Hubby is also part of the plan. Thanks for the memories!

I couldn't have asked for a better place to work for the last 22 years! Thank you for the wonderful opportunity, Westonka!

Retirement is bittersweet - I do miss you all, but I don't miss that early morning alarm clock. Now I have more time for family, traveling (on the Harley), quilting, gardening, reading (without falling asleep), volunteering with the Westonka Historical Society Museum, and baseball/football/wrestling events with grandson Oliver. Life is too short to be anything but happy!

I've enjoyed my years at Shirley Hills. Best job ever! During retirement I plan to spend lots of time with family and friends.

I came into MWHS as a Mohawk several decades ago and now I'm flying away as a White Hawk. I've enjoyed working in the same community I grew up in and cherish all of the wonderful relationships and connections I've made throughout the years.

My plan is no specific plan...I have a new grandson whom I'm looking forward to spending time with. Dave and I plan to do some traveling. I'm excited to take flight and discover and experience places and people.

I have absolutely **loved** and cherished my time spent at Mound Westonka High School for the last 17 years! I have learned SO much from all of you, from our administrators, and from my students. I would like to thank you all for the support, kindness, and true friendship. The relationships I've formed here over the years will last me a lifetime.
