Summer Adventure Club

In order to remain in compliance with safety regulations amidst the pandemic, the only schedule option for Summer 2021 is Monday - Friday. We appreciate your understanding so we can keep our groups consistent and all students and staff safe!

2021 Program Option	Fee Per Child
Entering Preschool	\$40/day (Monday - Friday)
Entering K - 6	\$40/day (Monday - Friday)

**\$40/child registration fee is required at the time of registration.
The registration fee includes a cotton t-shirt and a drawstring backpack (non-refundable).**

Tuition

In order to attend Summer Preschool Adventure Club, your child **MUST** be registered for a regular Westonka Preschool class for the 2021 - 2022 school year.

Meals

A cold breakfast and snacks are provided daily. There is a possibility the school district may qualify to provide free hot lunch to all children. However, we typically do not receive this information from the state until late April. If we do **NOT** qualify for this grant, hot lunch will be offered by Westonka Food and Nutrition Services at the daily lunch rate Monday - Thursday for those who wish to have their child purchase a hot lunch. All children must bring a bag lunch each Friday.

Field Trips

We will try and incorporate as many safe on-site field trips for each group on Fridays as possible. If we are in a place to safely go on some off-site field trips by Summer 2021 this will be communicated to registered families as they are booked. No staff or students stay behind on field trip days

so please note that your child is required to attend the field trip with us unless they are picked up prior to departure.

Youth Enrichment Classes

All Adventure Club students will participate in youth enrichment classes Monday - Thursday as part of their daily routine. Youth enrichment classes run for a total of 8 weeks (4 sessions of two-week classes) from 9:30 am to 11:30 am for Preschool - Grade 6 Adventure Club Students. All Adventure Club students will rotate through a variety of enrichment classes throughout the summer. Classes will focus on different enriching activities such as: science, technology, engineering, art, math, teambuilding, physical fitness, outdoor exploration, and more!

Vacation Time

5 vacation days will be given to families to use throughout the Summer 2021 program. You must complete and turn in a vacation form if you wish to use one of your days. Once you have requested and used your allotted vacation days, payment is required for absences regardless of whether or not your child attends.
