HOLIDAYS

Adventure Club is closed on major holidays. Tuition fees are not assessed when Adventure Club is closed in observance of a nationally recognized holiday.

SCHOOL CLOSINGS/DELAYS

The following is our policy if Westonka Schools should close or delay:

- If school is CLOSED, Adventure Club is also CLOSED.
- If school is delayed by two hours, before school K-4 Adventure Club is CLOSED and Preschool Adventure Club will open at 11:00 am.
- If school dismisses early, after school K-4 Adventure Club will be CLOSED and all Preschool Adventure Club students must be picked up by the time the Superintendent has ended the K-12 school day. For example, if the K-12 day is ending at 1:00 pm, Preschool Adventure Club students must be picked up by 1:00 pm.

COMMUNITY EDUCATION ENRICHMENT CLASSES

Adventure Club participants are welcome and encouraged to participate in Enrichment courses throughout the school year. A variety of youth enrichment classes are offered during the year at both primary sites. You may sign your child up for these classes through Eleyo. Adventure Club staff will walk them to their class if they are in the same building and parents have filled out a Community Education Activity Form. Forms can always be found on our website or at the parent table of all sites. You will still be responsible for your daily Adventure Club fee if your child attends an enrichment class during programming time. If you need to submit a schedule change for your child, you must do so through your child care account in Eleyo. Enrichment classes can be found in the Westonka Community Education Catalog as well as online at www.westonkace.org. Any further questions regarding Enrichment classes can be directed to the Community Education Main Line 952-491-8040.

APPAREL/DRESS

We are very active in the Adventure Club program and therefore spend a lot of time outdoors whenever possible. Please be sure that children are prepared to go outside every day, unless temperatures or weather prohibits. Children may be required to wear the following outside:

- Coat
- Snow pants
- Boots
- Hat & Mittens

Please refrain from sending your child in flip flops as they do not provide adequate foot protection. Closed toed shoes are required for play in the Gym and outdoors.

STAFF

Adventure Club staff consists of Site Supervisors, Assistant Site Supervisors, Program Assistants, and Program Aides. Our primary responsibility is the safety, development, and happiness of the children in our care. The following is our children/staff ratios. Ratios are typically lowered when we are attending a field trip:

- Preschool: 10 children to 1 staff
- Kindergarten - 4th grade: 15 children to 1 staff
- 5th - 7th grade: 15 children to 1 staff

SPECIAL NEEDS

Please notify us of your child's needs prior to enrollment so we can work to determine if we can provide reasonable accommodations within the existing program for them. While Community Education programs are housed in the schools, we do not receive additional support services for our programs. However, under the disability act we will accommodate a student with a disability unless to do so changes the "fundamental nature of the program" or the accommodations create an "undue burden." For students that may require more supervision than the current program provides, we will work through with parents what is necessary for them to be successful in our program. The District would then select the accommodations it believes are necessary for the student. Generally, the program does not provide 1:1 supervision as it fundamentally alters the nature of the program. Prior to your child attending, a meeting and Action Plan will be scheduled to determine how/if we can meet your child's needs. Children must be fully toilet trained to attend our programs.

EXCHANGE OF INFORMATION

Information may be exchanged between Adventure Club staff and school personnel for the safety and health of your child and/or information that would be beneficial for your child while they are in our care.

CHILD PROTECTION

We are mandated by law to report all suspected physical, emotional and sexual abuse and/or neglect of children.

FAMILY COMMUNICATION

Communication between home and Adventure Club is important to the success of children in our program. Please feel free to share any information that may affect your child's time in Adventure Club with staff at any time. If you need to share important confidential information about your child please call, email, or set-up a meeting with the Site Supervisor or Child Care Coordinator.

If any concerns about the Adventure Club Program or staff arise please set up a time to discuss the

issue with the Site Supervisor and/or Child Care Coordinator.

PARENT TABLE

Adventure Club has a parent table at each site. At the parent table you will find a daily sign in and out sheet, Community Education activity forms, vacation/sick day request forms, School's Out Day information, and other important family information that pertains to each specific Adventure Club site. We ask that families read any announcements that are posted on the parent table as this is one of the ways we communicate site specific and program updates with you!

DAILY SIGN IN/OUT

You or one of your authorized pick-ups will need to sign your child in and out of the program each day. You will sign-in and out your child daily at the parent table on an iPad. Sign-in/out information assists the program in accurately tracking attendance, documenting individuals that have had access to children and the building. Children must be signed in and out daily by one of their listed "authorized pick-ups." Adventure Club staff are unable to release children to walk or ride a bike home.

No person will be allowed to sign a child out who:

- has not been named as an authorized pick-up
- cannot verify identity with proper photo ID
- is under the influence of alcohol or drugs
- is under the age of 16

FOR K - 4th GRADE ADVENTURE CLUB FAMILIES

If your child is registered for after school Adventure Club and they will not be attending on one of their contracted days (ex: they are sick, riding the bus home with a friend, going to an after-school Enrichment class, etc.) families are responsible for contacting Adventure Club to let us know of the change to their schedule. Failure to notify Adventure Club will result in a \$10 Finder's Fee. Below are the forms of communication you may use:

- call the site cell phone (leave a message if no one answers)
- email the Site Supervisor of your child's site
 - classroom teachers and the school attendance secretary are also great people to include on this email as they appreciate knowing this information as well

AUTHORIZED PICK-UPS

Adventure Club will not release children to anyone who is not listed as an "authorized pick-up". Parents/guardians must add individuals as authorized pick-ups via their online account. All individuals who are listed as authorized pick-ups should be prepared to show a picture ID until the individual becomes familiar to staff. This includes a child's parents/guardians. If an individual who is not listed as authorized will be picking your child up, please call or email to inform Adventure Club staff of the change. Safety is our number one concern!

COURT ORDERS

Adventure Club is obligated to release children to either parent unless otherwise informed by a court order. A copy of the court order should be provided by the family to the Child Care Coordinator once a contract has been accepted. Program staff will follow the custody arrangements outlined in the court order provided. Adventure Club will not be involved in custody or parenting time disputes between parents. We will not keep track of each parents “parenting schedule” and who has physical custody on a given day.

If your child has a temperature is 100 degrees or above, the staff will contact the parent/guardian and your child will need to be picked up. If the parent/guardian is not able to pick up the child within a reasonable amount of time, then an emergency contact person will be contacted next to pick up the child. Children will be taken to the nearest hospital if deemed necessary by Emergency Medical Technicians and parents will be notified as soon as possible. Expenses incurred will be the responsibility of the family.
