

# Adventure Club School Age Care

## 2019 - 2020 School Year

Welcome to Adventure Club, Westonka's leading before and after school care program for children in Kindergarten - 4th grade. Adventure Club offers a safe, nurturing environment staffed by educated and experienced professionals.

Adventure Club is a balanced, high quality program which includes opportunities for recreation, social skill development, basic skills reinforcement and academic enrichment. Participating children have many opportunities to provide input into the types of activities that are available as well as the physical environment created before and after school.

**Westonka Adventure Club's mission** is to create a relaxed, trusting atmosphere where children are encouraged to pursue their own interests, develop friendships, and grow in independence and respect for themselves as well as others.

**Convenient** - located at your child's school during the school year. Allows for easy transitions for students from their school day to afterschool care and to/from afterschool enrichment classes.

**Flexible** - program options designed to meet the varying needs of families.

**Affordable** - fees are affordable for families and include a light breakfast, snacks, and fun.

**High quality before and after school child care is shown to...**

- Help children further develop 21st Century skills
- Provide hands-on experiences that ignite passions
- Improve academic performance
- Provide enriching experiences during adolescence
