

Westonka Preschool Adventure Club

2020 - 2021 School Year

Welcome to Preschool Adventure Club! Our program offers wrap-around care for children ages 3 - 5 who are enrolled in one of our Westonka Community Preschool classes. Preschool Adventure Club uses the same Creative Curriculum and Pyramid Model (social/emotional framework) as the Preschool classes to offer children an extension to their day. This state-approved curriculum is highly regarded as a forward-thinking, comprehensive, rigorously researched approach that honors creativity and respects the role that teachers play in making learning exciting and relevant for every child.

Adventure Club staff and Preschool teachers collaborate together to assist in the development of the whole child so they are prepared when they enter Kindergarten. In addition, Preschool Adventure Club students enjoy time where they can free play, do crafts, science, building, cooking, play in the gym, on the playground, and much more!

Preschool Adventure Club is...

Convenient - located at your child's school where they attend preschool. This allows for easy transitions for students between preschool classrooms and Adventure Club.

Flexible - offers a wide variety of program options designed to meet the needs of the Westonka community.

Affordable - fees are affordable and include high quality care, a light breakfast, snacks, and supplies.

Top Quality Preschool Childcare - our supportive environment encourages creativity, builds self-esteem and confidence, teaches cooperation, and promotes positive behavior and socialization skills.
