The Westonka Edge
Small School Advantages.
Big School Opportunities.
Real-Life Success Stories

Westonka Schools are just the right size. Small school advantages mean we know every child by name and we make it our goal to help every child to succeed. Big school opportunities mean our award-winning arts, academics and athletics programs are right up there with the larger school districts. Real-life success stories mean our students leave prepared for college and for success in the 21st Century.

Arrival Time

School begins at 9:05 AM. If your child does not ride the bus, please time his/her arrival for after 8:55 AM. Although teachers arrive earlier, they are not available to supervise the playground or hallways because they are preparing lessons, meeting with parents, or conferring with other staff members.

Assemblies

All-school assemblies are held on a regular basis for educational and enrichment purposes.

Attendance/Absence

Please call the school office Attendance Line (491-8505) before 8:00 AM if a student will be absent for the day. Upon returning to school the student should present a note to the attendance clerk.

The school must receive a phone call or note for the absence to be excused. When a child has more than three unexcused absences, the school will make a referral to the Hennepin County Attorney's Office (HCAO).

If the child has 6 unexcused absences, the school will make a child protection report for children under 12 to the HCAO. The HCAO will review the report and send it to Child Protection in the Human Services and Public Health Department.

Tardy: Thirty minutes or less late to school or leaving early from school. **Five tardies equal 1 unexcused absence day.**

Half-Day Absence: More than thirty minutes late or leaving early will be considered a half-day absence.

Excused absences include:

- Illness (limited to 12 days – illness absences in excess of 12 require medical documentation. Otherwise the illness is considered unexcused),
- Death in immediate family,
- Professional appointments with documentation from clinic (without documentation it is considered unexcused),
- Court appearances with documentation from court,
- Religious observations,
- School-sponsored activities.

Unexcused absences include:

- Any absence not included under the excused attendance procedure,
- Any absence that is not reported to the attendance line that meets the requirements for excused absence.
- Five tardies will equal one unexcused absence.

If school is in session, students are required to be at Hilltop. Students are given an unexcused absence if they do not attend school due to rain, snow, or temperature.

Pre-arranged family vacations/choice days are limited to five school days in a year. Please complete the online Hilltop Family Choice Day Request Form: <https://forms.gle/L5tZc6pFYJo6LYeW9> at least two weeks prior to the requested absence. Homework must be completed by the time the student arrives back from the vacation, or else the vacation days are considered unexcused. Any vacation days require a pre-phone call to the attendance line; a vacation form will be completed for your child and the homework will be sent home for completion. When homework is completed an excused vacation day will be granted.

When a student is absent three or more days and is able to do school work, the parent may request assignments and materials from the school office. Students will be expected to make up the work missed within a reasonable period of time as determined by the teacher and parent.

All children between 6 and 18 years of age must attend school in Minnesota unless they have a legal excuse. The principal shall determine daily which students enrolled in school are absent and designate absence as excused, unexcused, or truant. Please try to arrange family trips and medical appointments outside of school time.

Animals in the Classroom

To prevent exposure to allergens and to maintain the health and safety of the students and staff, animals are not allowed in the classroom or school. Please schedule animal visits at outside events (i.e. Girl Scouts, Boy Scouts, Neighborhood Gatherings, etc)

Background Check

In the best interest, and for the safety of the students in the Westonka Public School, we require each parent or community volunteer to complete the yearly Volunteer Informed Consent Form. The school district will perform random background checks on school volunteers. In addition, the School District may process a background check at its discretion. Please see the office or the classroom for a Background Consent form. Background Check forms must be on file and approved before a volunteer can be in the classroom or attend a field trip. Five school days is needed to process a Background Check form.

Behavior

Hilltop students are expected to use respectful and proper behavior at all times. Hilltop Primary follows the Westonka Student Discipline Policy found at the Policies page on the Westonka School District website.

Bikes

Students may ride bikes or scooters to school. Bikes brought to school are the responsibility of the student. Westonka School District is not responsible for lost or stolen items.

Birthday Invitations

All children love to be invited to a birthday party. We ask your cooperation in not sending invitations to school to be handed out to children. We have many disappointed children when invitations are handed out at school.

Birthday Treats

In accordance with the Westonka Wellness Policy #5330, if a parent/guardian choose to send something with their child to celebrate the birthday, it needs to be a non-food item. Non-food items can include bookmarks, pencils, erasers, notepads, etc.

Birthday Book

A Birthday Book can be donated to the library in honor of your child's birthday. Please see Mrs. Hempel to select and purchase a book for the library.

Book Fairs

Hilltop sponsors two annual book fairs at school. Families may choose books for home and donate books for classroom use. All profits from the book fairs are used to purchase new books for the Media Center.

Breakfast Program

Students can receive breakfast daily. If a student is on the free or reduced lunch program, the breakfast is free. Students can also purchase a breakfast daily which will be charged to their lunch account. All Kindergarten students can receive a FREE breakfast daily.

Broadcast Messaging

Hilltop uses a broadcast messaging system to inform parents by telephone and/or e-mail of important events or emergency information. Be sure you have updated your "primary and secondary phone numbers" and "e-mail addresses" in Family Access. All messages will be directed towards this phone numbers and e-mail addresses. Parents should update their Family Access e-mail accounts in order to receive the important weekly messages.

Bullying Policy (Policy #5140)

Hilltop Primary School is committed to providing all students and staff with a safe and civil school environment in which all members of the school are treated with dignity and respect. To that end Hilltop Primary School has in place policies, procedures, and practices that are designed to reduce and eliminate bullying and harassment as well as processes and procedures to deal with incidents of bullying and harassment when they occur. Hilltop Primary School prohibits harassment, bullying, hazing, or any other victimization based on real or perceived race, sex, creed, color, national origin, religion, marital status, disability, sexual orientation, including gender identity or expression, physical appearance, and/or personality characteristics. This policy is in effect while students are on property within the jurisdiction of the school district; while on school-owned and/or school-operated vehicles; while attending or engaged in school sponsored activities; and while away from school grounds if the misconduct directly affects the good order, efficient management and welfare of the school district. Bullying as set forth above is defined as "The repeated use of physical, emotional, or social power to hurt someone." Bullying may include, but is not limited to: Verbal (teasing, name calling, gossiping, rumor starting, rumor spreading, verbal cruelty, threats, intimidation, humiliating, embarrassing, racial/ethnic slurs, cyber-bullying; Physical (humiliating, embarrassing, pushing, shoving, pinching, kicking, tripping, fighting, destruction of property, extortion, obscene gestures); or Social (purposeful exclusion, laughing at a student who is being bullied, rumor spreading) The full Policy 5140 is available in the main office or on the district website, westonka.k12.mn.us>About Us>School Board>Policy Manual.

Bus Transportation

1. The Westonka District will not tolerate disruption, abusive language, aggressive or dangerous behavior, vandalism, and chemical usage, including smoking, on school buses.
2. Behavior and safety of children to, from and at all bus stops away from the school are the responsibility of parents.
3. Behavior and safety of children boarding or disembarking buses at the school is the responsibility of the principal and staff.
4. When the student boards the bus, the driver is responsible for student behavior and safety. When the student arrives at the school, the principal and staff assume responsibility. When the student arrives at the bus stop, the parents assume responsibility.

5. School employees and other citizens are encouraged to report intolerable bus rider behavior to the bus driver, who is obliged to report misbehaving students in writing to the transportation coordinator within 24 hours.
6. The transportation coordinator maintains files of all referrals on student misbehavior from the bus drivers, and notifies the principal or designee without delay.
7. The principal or designee investigates reports of student misbehavior and validates them through witnesses or admissions.
8. Primary principals are responsible for enforcing and recording bus rider discipline in the following procedures after a bus incident report is issued by a bus driver:
 - 1) After each bus referral the principal confers with student, and notifies parents.
 - 2) Three bus referrals will require the student to be banned from buses for 5 school days and will notify parents.
 - 3) A fourth bus referral may warrant a loss of bus privileges for 2 weeks.
 - 4) A fifth bus referral may warrant a loss of bus privileges for a period no longer than rest of the school year.

Cell Phones/Smart Watches

Although we strongly advise against students bringing cell phones to school, for safety and security reasons students are allowed to have them. However, students must keep cell phones/smart watches turned off during regular school hours and in their backpacks. If students need to call home they will use the office student phone. Students not adhering to this policy will have their cell phones taken to the office to be picked up by their parents. The school is not responsible for any lost or stolen cell phones.

Change of Address / Work / Phone, etc.

Please update your *Family Access* account for address, e-mail, or phone numbers at work or home.

Computers

The media center has Macintosh computers, a scanner and laser printers for students' reference and production use. The computer labs are equipped with Macintosh computers using integrated software to provide individualized instruction and other software the teacher may choose for the class. Specialized software is also used in music, art, and for individual and small group work with multi-media and internet projects. All students have a 1:1 iPad that is stored in their classroom.

Conferences

Family conferences are scheduled twice a year. These are important opportunities to discuss student goals and progress during the course of the year. Other conferences with teachers and principal can be arranged anytime during the year by contacting the teacher or school office. Conferences are also held for kindergarten students before school starts. Each child at Hilltop will be given one conference slot – we ask that parents please coordinate their schedules.

Contact Information

District 277 is asking everyone to use Family Access to make sure we have your most current phone numbers and e-mail address in the event of weather-related or other announcements. The Skylert messaging system is set up to make calls to a primary phone number for food service and attendance announcements; a primary and secondary number for general and non-school hours emergency announcements; and three phone numbers for a school hours emergency message during the school day.

For most families it will be the most beneficial to have home and/or cell phones set as the primary and secondary numbers, and a work phone set as the third number to be used during the school day. To make sure you are receiving these calls to the correct phone numbers for you, please go to the Hilltop

website and select “Family Access” from the menu at left. Log into Family Access with your user name and password. On the next screen, which looks like a calendar, select “Skylert” from the left menu. You will see a page already populated with your family information. Make any necessary changes and select “Save”. You only need to do this once, even if you have more than one child in the district.

Custody Information

In cases where parents are separated or divorced, and one parent has primary, physical, and/or legal custody the school requires verification of custody determination. The school must have on file the copy of the section of the divorce decree indicating custody and visitation rights. The school needs to have this legal documentation on file in order to assure compliance with any limiting court order. The school also requests that a note from the custodial parent be on file if there is an agreement that the non-custodial parent will be picking the child up from school. Parents may be asked to provide a calendar for their child with custody assignments.

Curriculum

Westonka aligns all curriculum with the Minnesota State standards and Westonka benchmarks. The Westonka Curriculum Goals can be found on the Hilltop website.

Directory Information (Policy # 5125)

The school district may disclose directory information of a student and information regarding parents without prior written consent of the parent or the student. If a parent or student does not want this information released, he/she must notify the school district by the end of the first week of school each year by completing the Annual Opt-Out Options form included in the back-to-school mailer. For information contact Carol Shukle, 952-491-8007. (A complete copy of policy 5125 is available in the main office or on the district website, westonka.k12.mn.us>About Us>School Board>Policy Manual.)

The following information is considered directory information:

Student’s: name, address, photograph, date and place of birth, major field of study, dates of attendance, grade level, enrollment status, participation in activities, height & weight (athletic teams), honors & awards.

Parent’s: name, address

Directory information does not include: religion, race, color, social position, nationality, and Social Security number.

Discipline

As we strive to provide a positive and safe environment, a school wide behavior management plan is used to provide students with expectations for proper behavior outside the classroom including regular positive consequences and appropriate negative consequences. Each teacher has a classroom plan that is posted in the classroom. The Westonka Discipline Policy can be found on the district website.

Dress Code

Neat and proper dress contributes to desirable attitudes and behavior. We ask parents to check their student's clothing, particularly to accommodate weather conditions. Students will be expected to go outside during the winter (until the temperature reaches below -10 degrees). This requires all students to have snow pants, a winter jacket, boots, hats and mittens. Students play outside at lunch and recess and should be dressed appropriately, especially when the weather is wet or cold. Labeling clothing helps us to return items that are lost.

Students are not allowed to wear hats or tennis shoes with wheels inside the school building. Any clothing that may cause interference with student learning is not allowed. Such dress may include, but is not limited to clothing with drug, alcohol, or sexually explicit or suggestive messages, representations which are inappropriate or demeaning to any groups, and clothing that is suggestive or provides inadequate coverings. Change of clothing will be provided in the nurse's office.

Drop off /Pick up Area

Between 8:55 – 9:05 AM and 3:45-3:55 PM, students must be dropped off or picked up in the designated pick up areas. Any students not picked up after 3:55 PM will be escorted to the office. We ask for student safety that parents come into the office to pick up and sign out students if leaving school early. Please do not park in the bus parking lot during school hours. All families will receive a name plate for pick up at the end of the day.

Doors open to Hilltop Primary School at 8:50 am.

DARE Program

Westonka District promotes prevention as stressed in the curriculum. The Minnetrista Police Department provides a DARE officer to work with students at Hilltop within the DARE program. The DARE program is taught formally to Grade 1 and 3 students. The officer also visits other grade level classrooms during the year in an informal manner.

Electronics Personal

We advise against students bringing cell phones, smart watches and/or personal devices to school for security reasons but students are allowed to have them. All students are issued a school owned iPad and should use this device for all school/class work needed during school. These devices have been set up to provide as safe an experience as we can provide with filters and blocks in place. We cannot guarantee that personal devices will have these same level of supports to ensure a positive learning experience. To use a personal device students must confer with their teacher before using a personal device during school hours. The school is not responsible for any lost or stolen cell phones or smart watches/personal devices.

Email

All teachers and staff may be contacted via email addresses in the district. Addresses include the last name and first letter of first name with: @westonka.k12.mn.us. For example, smithj@westonka.k12.mn.us.

Emergency Information Sheet

Each student is required to have on file a Emergency Information Sheet containing information to be used in case of an emergency with the child or with the school. Please be sure to return this information to school promptly with the correct information when you receive them. Please inform the school office as information on the form changes. (Please also refer to information under Health Services.) All students must have at least two emergency contact names, other than the parents' names.

Emergency Closing

Emergency school closings due to severe weather or for any other reason will be announced through all four major Twin Cities television stations. Please instruct your children as to where they should go if sent home early from school and indicate the same on the emergency card. An All-District phone message will be sent if school is closing early. Parents should then e-mail the classroom teacher on instructions of where their child should go after school closes. Any students without information will be sent to Adventure Club and parents will need to pay the fee.

Emergency Drills

Drills for fire, severe weather, lockdowns, or other emergencies are conducted on a regular basis during the school year. Students are reminded that similar drills at home are a good safety measure for every member of the family.

Equal Opportunity - Title IX

It is the policy of the Westonka District not to discriminate on the basis of sex, race, color, creed, age, public assistance, marital status, religion, disability or national origin in its educational programs,

activities, or employment policies. Violations should be reported to Carol Pomeroy, Title IX and Equal Opportunity Advisor, Westonka District, 5901 Sunnyfield Rd. E, Minnetrista, MN 55364 (491-8005).

Extra Curricular Programs

Extra curricular offerings throughout the year are sponsored by the Westonka Community Education and Services Department. Information is sent through Friday e-mails, peachjar flyers or you may call the Community Education and Services office at 491-8040 for current programs.

Field Trips

Field trips are a primary source of learning for students. All classes participate in regular field trips for environmental, cultural, and social studies classes. A field trip permission form is signed at the beginning of the year by parents.

Chaperones for field trips are scheduled with the classroom teachers. We do not allow younger or older siblings to attend the field trips for the child. Please find appropriate day care for the younger children. Background forms must be completed and on file at least five days prior in order to volunteer for the field trip.

Friday Folders

Every Friday, your child will bring home a folder with information from the school. Please read the information carefully and make sure you return the folder on Monday morning.

Free and Reduced Lunch

There is no visible discrimination between free, reduced and full-priced lunches. Forms for this service will be sent to each home via the District Welcome Back letter. Forms can also be picked up at the Hilltop office. If you have questions regarding the free and reduced price lunch program, please contact Laura Metzger, Westonka Food Services at (952)491-8084.

G.A.T.E.S. and Enrichment Services

Hilltop's gifted/talented services meet during the school year. Children must qualify in order to receive the specialized programming. Qualification is determined by classroom performance, Northwest Evaluation Assessment (NWEA), Minnesota Comprehensive Assessments (MCAs), and Cognitive Achievement Testing (CoGAT).

Students receive enrichment services in K -2 setting. These services all for the children to have supplemental instruction in reading and mathematics.

Students receive accelerated services in Grades 3 and 4. These services are one to two grade levels above the classroom standards.

Teachers modify and adjust curriculum for all students in the classroom. Special programs like Adventures in Art, Accelerated Reader and other enrichment opportunities are made available for all students.

Gym Shoes

Students are required to wear gym shoes for physical education classes in the gym. It is recommended that students bring a pair to keep at school.

Harassment and Violence Policy

See Appendix A for the policy.

Hazing Policy

See Appendix A for the policy.

Health Services

Hilltop has a Health Specialist or a district Health Specialist on duty during the school day. First aid equipment is available in the health office and each classroom. Vision and hearing screening is conducted for students annually. Health records are maintained at school.

When an emergency or significant illness occurs at school, procedure is to contact a parent or guardian at home or work. If a parent or guardian is unreachable, a relative or neighbor whose name appears on the emergency card is contacted. The child will be released to the emergency contact person. However, in instances where immediate medical attention is needed, the school will call 911 for emergency personnel and ambulance service. The parents or guardian will be called immediately after the emergency personnel have been contacted. If necessary or requested, the family physician will be consulted.

Your child should be kept home if:

- 1) he or she has a temperature of 100° or greater
- 2) he or she is experiencing vomiting or diarrhea

If your child has had a fever of 100 degrees or greater, the student needs to stay home for 24 hours after the fever has left and you no longer need to use medication to keep the temperature down.

The same 24-hour guideline applies to vomiting and diarrhea. For example, if your child vomits in the morning at breakfast time, do not send him/her to school in the afternoon, even if there is no vomiting at lunch. Wait until the following breakfast time, with no vomiting or diarrhea during the day or night. If there has been no further vomiting or diarrhea, you can send him/her to school.

If a child is not running a fever, but is obviously not feeling well enough to participate in classroom activities (for example, is very tired, has continual coughing, excessive runny nose, outdoor recess, etc.), it is a good idea to keep him/her at home. Your child may need extra sleep, fluids or medication to get rid of these symptoms. Otherwise, he/she is more likely to stay sick longer.

Sending an ill child to school exposes other children to your child's illness. Children easily pass germs through their play and close contact with each other. Please send your child back to school when he/she is fully recovered. Then everyone will have the opportunity to experience the best from his/her school day.

To check a specific illness or disease, check out Hennepin County Health Department's website: www.hennepin.us/childcaremanual

Please call your child's school when your child is staying home due to illness.

Internet Acceptable Use Policy and Technology Materials

The school district is providing students and employees with access to the school district computer system, which includes Internet access. The purpose of the system is more specific than providing students with general access to the Internet. The school district system has a limited educational purpose, which includes use of the system for classroom activities, educational research and

professional or career development. Users are expected to use Internet access throughout the district system to further educational and personal goals consistent with the mission of the school district and school policies. Hilltop follows the Westonka Public School Internet Acceptable Use and Safety Policy, which can be found in the appendix.

District purchased materials in the technology area will be assigned to individual students in the classrooms. Students are expected to care for the materials and return them in the same state that they received them. Students will be charged for replacement costs for lost, damaged, or broken devices.

Kindergarten Roundup

Parents and children who are eligible for the next year's kindergarten class are invited to school in January for Kindergarten Roundup. Roundup offers parents an opportunity to meet teachers, learn about district services, ask questions and get all the forms needed for the start of school. We must see each student's birth certificate (not hospital certificate) to register him/her for school. Families who cannot attend roundup, or who move into the area during the summer, can register in the school office. It's important to register a new child before the first day of school.

(Student) Locker Search (District Policy #5156)

Lockers: Lockers are school property. They are loaned to the students for storing books, backpacks, other educational materials and clothing necessary for our climate. School officials may open and inspect lockers for any reason. Searches of lockers can **be conducted at any time without the presence of the student.**

PLEASE NOTE: Lockers are not absolutely safe. As a result, the following guidelines are in place:

1. Do not place any item in your locker that disables the locking mechanism. Doing so can result in damage to the locker and easy access to your locker. You are responsible for any damage to your locker. Also, detention will be assigned.
2. Do not leave valuables in your locker. The school is not responsible for lost/stolen property. There is a locked, secured room available for the storage of your athletic bags during the school day.
3. Do not share your locker with another student. You are responsible for what is in your locker including writing and stickers, etc.

Personal Possessions: To ensure all students' safety, personal possessions can be searched with reasonable cause at any time. This includes backpacks, purses, clothing, vehicles, cell phones, MP3 players, and other possessions.

Lockers belong to the school but are loaned to students for keeping backpacks, coats and other school materials. Please do not leave anything valuable in your locker. The school is not responsible for lost or stolen items. School staff has the right to look in lockers at any time.

For the full Policy 5156 Search of Student Lockers, please see the appendix at the back of the handbook.

Locker

Students are assigned a locker in the hallway outside of their room to hold coats, boots, book bags, etc. Locks are not used on these lockers. Students are not allowed to add stickers and magnets to their lockers.

Lost & Found

Lost clothing is located in our Lost and Found area in front of the gym. Small items are kept in the office (jewelry, keys, etc.). Unclaimed items are donated to charity periodically during the school year.

Please remember to:

- * Clearly label your student's coats, caps, boots and clothing with full name and grade.

- * Try to locate the item immediately upon discovering it is lost. Don't wait too long.
- * Use caution in allowing articles of sentimental or monetary value to be brought to school. The school is not responsible for lost or damaged personal items.

Lunch

Students may buy a complete hot lunch each day at school. Monthly menus are provided. Milk is available for 50 cents for students who prefer to bring a lunch from home. Westonka has a computerized billing system. Each student has an assigned lunch account number. You may send money to the school office and it will be credited to your family account or you may pay online through the www.westonka.k12.mn.us website.

Grade 2 – 4 students may purchase additional snacks from the lunch line. These snacks cost between \$.50 and \$2.00. Parents may contact food services to deny access of their child purchasing additional snacks (491-8088).

Westonka participates in the federal child nutrition program. Families who qualify are encouraged to apply for free or reduced lunch through the school office. The free and reduced lunch count also determines other educational assistance provided to the district. The monthly menu is sent home in the Hilltop newsletter. It is also on the district website and on the school information phone line.

Lunchroom/Playground Expectations

All students will follow the school-wide behavior expectations, as outlined earlier, on the playground and in the cafeteria. These behaviors will be taught and expected.

- Keep hands, feet and objects to yourself
- Use equipment properly
- Use acceptable language
- Stay in assigned area
- Show respect to others
- Play safely; tackling games are not allowed.

Mandatory Reporting

Under [Minnesota Statute 626.556](#), persons in designated professional occupations are mandated to report suspected child abuse or neglect.

Media Center

The Media Center provides students with essential information and purposeful activities, and implements the goals of the total education program. A Media Specialist and an assistant are responsible for directing the media program, including the multimedia computer stations and computer lab. There are over 14,000 books plus audio-visual and computer software in our collection with a computerized check out and card catalog. Students, staff and parents use the Media Center's materials and facilities for study and leisure.

Students are required to pay for any damaged or lost books.

Medications

If it is necessary for your student to take medication in school, please contact the health office to obtain a form which gives authorization to administer medication by school personnel. This form must be filled out by both you and your physician. Medication will not be administered without this authorization. This includes non-prescription drugs like aspirin or Tylenol. Any medications must be in their own original prescription container, not in an envelope, plastic bag, etc. Medications must be turned into the health office and not carried around school. Please call the school district nurse (952.491.8104) or building health specialist (952.491.8504) with questions regarding medications.

Message to Classroom Teachers

One of our most important jobs is to make sure each child gets where they need to go at the end of the day. We need to be efficient in the way we receive and deliver messages regarding end-of-the-day changes to classroom teachers. Any time you need to make changes to your child's end-of-the-day schedule (an early pick up time or a different destination), you must notify the school office by phone call or note. Many times, the notes you send to the classroom teacher never leave the child's backpack.

Also, if you email or leave a voice mail for the classroom teacher and there is a substitute teacher, those messages may not be retrieved.

If you need to make changes after the school day has started, call the office (952-491-8409) before 3:00 pm. Between 3:00 and 3:10, office staff will call into the classrooms and deliver those messages. Do not call the classroom or email the teacher or the office; there is no guarantee that those messages will be retrieved before the end of the day. While we will try, we cannot promise that messages received after 3:10 will get to the teachers.

Newsletter

The *News from Hilltop* is sent home by e-mail weekly with school information. All e-mail addresses are updated through the parent Family Access account and are the responsibility of the parent.

In any given school year, we have a number of students and staff with peanut allergies or tree nut allergies (almonds, walnuts, cashews, etc.)

In an effort to keep our students and staff safe, we ask that you:

- Frequently remind your students not to share any of their lunches or snacks,

Personal Property

The school or bus company is not responsible for lost, broken, or stolen items. Children should not bring electronics, trading cards, toys or other personal property to school. Parents may specifically request individual prior notice of pesticide applications by contacting the district office at 952-491-8007.

Pictures

Our school contracts annually to have pictures taken of each child early in the school year. Information regarding prices and date is distributed through e-mail, website and newsletter. Pictures are also taken in the fall and spring. Picture purchase is optional.

Pledge of Allegiance (Policy #5310)

The Westonka Board of Education has mandated that each school recite the pledge of allegiance regularly in each classroom. We do this through morning announcements. Anyone who does not wish to

participate in reciting the pledge of allegiance for any personal reason may elect not to do so. Students must respect another person's right to make that choice.

PTA

Cooperation between home and school is key to our students' success. The Parent - Teacher Association plays a vital part in involving parents in school through a variety of activities and regularly scheduled meetings serving the needs of students, teachers, and parents. Watch for specific information about this year's PTA. There are opportunities for everyone to be involved through the PTA.

Recess

Students go outside for recess. Adult monitors are outside with the students at all times. It is extremely important that the students are dressed for the weather, especially the winter elements. We recommend hats, gloves, snow pants, and boots for winter. Students are only allowed to stay indoors for recess if there is a medical note by a certified doctor with limited outdoor requirements.

Students will go outside until the temperature or wind chill is at or below -10 degrees.

Release of Students at Day's End

All students are expected to board their assigned buses or attend Adventure Club at the end of the day unless they have a note from parent/guardian with other directions.

Students who wish to ride a bus other than their own must bring a note to their classroom teacher. The note should include which bus should be taken, the drop off spot, and the parent signature. If a note is not brought to school, the child will be sent home on his/her regular bus. Students will then bring the note to the receptionist for a bus pass.

Release of Student During the Day

When you wish to have your student dismissed early, it is necessary for the parent to come to the office to check the student out. No child will be released without checking in the office. Any restrictions on who may pick up or contact a student at school must be indicated on the student's emergency card or presented in writing to the office.

If a person other than the parent guardian is picking up the child, a note must accompany the child to release the child to this individual.

Report Cards

Students in Kindergarten through 4th grade will receive a report card three times a year to review the progress made by students. The progress is based on the district learner outcomes for each learning area and specific goals. Report Cards are posted on the Family Access site.

School Age Child Care

Westonka District offers a quality school age child care program, Westonka Adventure Club, that meets right here at Hilltop. Our goal is to conveniently and affordably meet the needs of parents in District #277. Children in Preschool through grade 6 are served before school, after school, and on school release and vacation days. The program is open from 6:30 AM - 6:00 PM, Monday through Friday and during the summer.

Adventure Club provides a relaxed, trusting atmosphere where children are encouraged to pursue their own interests, develop friendships, and grow in confidence, independence, and respect for themselves and others. A wide variety of individual and group activities are available including art, books, games, dramatic play, crafts, cooking, manipulative toys, sports, computers, outdoor play, carpentry, music, and special field trips. Care is provided by qualified and caring professionals who create a warm, nurturing, and supportive environment for your child. For information regarding fees or other questions, call the Hilltop Adventure Club (491-8553) or the Community Education Office (491-8046).

School Hours

The school day is 9:05 AM to 3:45 PM.

School Fees

School fees are charged per student per grade level. The fees vary based on field trips and expenses for each grade level. All fees need to be paid for students to participate in these activities. Scholarships are available for families that apply for the scholarship and qualify.

Search of Student Lockers

See Appendix A for policy.

Sexual Harassment

The Westonka District has a sexual harassment and violence policy, which applies to all students and staff in school programs, activities or the learning environment. The policy is available from the District Office upon request. Violations should be reported to Emily Rustman, Human Rights Officer, Westonka District, 5901 Sunnyfield Rd. E, Minnetrista, MN 55364.

Sexual Offender Notification

Minnesota state law requires police departments to notify local residents when a convicted adult sexual offender moves into their jurisdiction. In the event that a school building receives such notification, this information will be relayed to current building users and kept on file in the school office. For further information contact the local police department.

School Improvement Team

A School Improvement Team, composed of teachers representing grades and subjects, helps ensure academic excellence. The team looks into ways of improving instruction and focuses on data to give the school direction in teaching and learning.

School Property and Books

Textbooks, books, equipment and other property of the school are very expensive. Students will be required to pay for lost or damaged items.

Special Education

The Westonka District's philosophy is to provide an appropriate educational program for all students, based on their individual needs. Hilltop offers a complete range of services for students with identified special needs. Our special education program is designed to be an integrated part of the entire school. Parents and staff work together in determining which students require special education services. An Individualized Educational Plan (IEP) is designed by the parents and staff for each of these students. State of Minnesota criteria in the various disabilities areas are used in the identification process. Students with learning disabilities, emotional/social difficulties, speech and language concerns, sensory impairments, physical handicaps or who are mentally handicapped receive services at Hilltop in the classroom and the special education learning center.

Parents who would like to have their child evaluated to determine if they qualify for special education services may do this by making a request in writing and sending it to the principal. This request will then be shared with the Student Concerns Committee in the building. This committee consists of regular and special team members and meets regularly for the purpose of recommending educational interventions (including special education child studies) to meet individual needs of students. Parents may meet with the building team to explain their concerns if they wish or a staff person may present their concerns. The building team must respond in a timely fashion to any such request for service consideration.

Spirit Wear Fridays

Every Friday is Spirit Wear Day. We encourage students to wear Hilltop or White Hawks spirit wear, or school colors (red and/or black) on those days. During morning announcements, student names will be randomly drawn, and if those students are wearing spirit wear or colors, they receive a small prize provided by our PTA.

Standardized Testing

Standardized tests (NWEA) are administered in Grades 1- 4. Results are shared with parents and used to evaluate curriculum and program outcomes.

The Minnesota Comprehensive Assessments in reading and mathematics, based on state learning areas, are given in 3rd & 4th grades.

The Cognitive Achievement Test (CoGAT) is given to Grades 2 and 4. The CoGAT is used to determine qualification into the Accelerated Math and Reading Programs.

Student Council

Students in Grade 3 and 4 may run for election to Student Council. Elections are held in the fall in the homeroom classroom. The Student Council is responsible for community outreach including, but not limited to: Food Drive, Toy, Hat and Mitten Drive, and direct service oriented projects throughout the school year.

Student Placement Requests

Parents may participate in giving input on their child's learning style every year. Requests must be in writing before April 1st of the preceding school year. A sound, educational reason for this request must be included. Forms are available for these requests. We cannot guarantee all requests can be met because of class size, etc. Teacher requests or student friend placements are NOT honored.

Student Records / Data Privacy

Access to student's records is limited to parents, legal guardians, and professional staff. A parent/guardian who wishes to examine a student's record shall contact the principal to set up an appointment to review the record. Release of student records to an outside source adheres to the district policy. Limited personal information about students may be released or made public without the consent of parent/guardian if it is designated as student directory information. Parent/guardian may request directory information not be published by submitting a written request to the District Office.

Telephone

All classrooms are equipped with telephones. Students' use of the phone should be for emergencies only. Arrangements for after school activities and visiting friends should be made outside of school time. Phone messages to students should be made before 12:00 PM to insure they can be delivered.

Messages to students about changing after school arrangements should be directed to the school office and not left on teacher's voice mail. Teachers can normally be reached in the morning from 7:50 AM - 8:30 AM. Each staff member also has a voice mailbox that can receive messages and may provide information about the class activities. Please give staff at least 24 hours to return phone messages.

Tobacco Free (Policy #1511)

Tobacco possession and use of tobacco by students, staff, visitors, and tenants is strictly prohibited in school buildings and vehicles, on school property, and at school or district-sponsored events or activities which are under district jurisdiction. For the purposes of this policy, tobacco included all forms of tobacco, included but not limited to chewing tobacco, cigarettes, cigars, any produce containing nicotine or used for the purpose of smoking, "water vapor cigarettes", electronic cigarettes and look-alike products.

Valuables

We discourage students from bringing any valuables from home to Hilltop. Students should only bring school curriculum to Hilltop. We cannot insure the safety of valuable items. Hilltop will not be responsible for any items brought from home. (Please see Page 11: Personal Property)

Volunteers

Volunteers are always welcome at Hilltop. A volunteer must make prior arrangements with a teacher before visiting a classroom. All volunteers must check in at the office before going to specific rooms in the building. However, please note that all custody agreements will be followed.

Visitors and volunteers must wear identification nametags from the office. School board policy requires that all staff also wear an identification badge. A Background Check Form must be processed and on file in the office.

We do not allow visitors to come to school just to spend time with a child, friend, or grandchild – unless it is a day arranged by the school. Please schedule this time outside of the school day. All visitors must use the Hilltop appointment scheduler found on the website.

Walking to/from school

For safety reasons we discourage students from walking to and from school. However, students who wish to walk to school are required to have written permission from their parents/guardians. An exception will be the Sunnybrook neighborhood. Crossing guards will be available on Game Farm Road to help children cross safely.

Weapons

WEAPONS (Policy #1512)

No student or employee shall possess a weapon when in the school building, on school grounds, or on any school-sponsored trip or activity. "Possession" refers to having a weapon on one's person or in an area subject to one's control including lockers and vehicles on school property or at a school trip/activity.

"Weapons" are identified in three categories:

1. Any object, device or instrument designed as a weapon or through its use is capable of threatening or producing bodily harm or which may be used to inflict self-injury including, but not limited to, any firearm, whether loaded or unloaded; air guns; pellet guns; BB guns; all knives; blades; clubs; metal knuckles; numchucks; throwing stars; explosives; fireworks; mace and other propellants; stun guns; ammunition; poisons; chains; arrows; and objects that have been modified to serve as a weapon.
2. Any object, device or instrument having the appearance of a weapon and such objects, devices or instruments shall be treated as weapons including, but not limited to, weapons listed above which are broken or non-functional, look-alike guns; toy guns; and any object that is a facsimile of a real weapon.
3. Articles designed for other purposes (i.e., lasers, or laser pointers, belts, combs, pencils, files, scissors, etc.), to inflict bodily harm and/or intimidate and such use will be treated as the possession and use of a weapon.

Exceptions

The exception listed below is stated for the purposes of protecting those that fall into the specific exception listed. As with any exception, the administration reserves the right to carry out disciplinary action if other facts and/or evidence is revealed in the investigative process.

A student who finds a weapon on the way to school or in a school location, or a student who discovers that he or she accidentally has a weapon in his or her possession, and takes the weapon immediately to the principal's office shall not be considered to possess a weapon. If it would be impractical or dangerous to take the weapon to the principal's office, a student shall not be considered to possess a weapon if he or she immediately turns the weapon over to an administrator, teacher or head coach or immediately notifies an administrator, teacher or head coach of the weapon's location.

Minimum corrective action shall include initial suspension for five days, confiscation of weapon, notification of police, parent notification, and may include referral to the core discipline committee for possible further consequences.

Pursuant to Minnesota law, a student who brings a firearm, as defined by federal law, to school will be expelled for one year. The school board may modify this requirement on a case-by-case basis.

Wolf Ridge

Students in grade 4, along with a group of staff and parents, spend an exciting week at the Wolf Ridge Environmental Learning Center in Finland, Minnesota. They spend the week learning about our environment and have an opportunity to participate in a variety of activities including canoeing, rope course, tree study, animal tracking, wall climbing, etc. Students and parents participate in fund raising activities to cover the cost of the trip.

Students must be enrolled at Hilltop prior to Wolf Ridge to be eligible for the program. Money raised for Wolf Ridge is not refundable, as this money becomes part of the grade level quota for the year. Students entering Hilltop during third or fourth grade will be required to contribute an extra fee towards the trip.

The total cost for attending Wolf Ridge is \$425/student. Students may raise this money through the fall fundraiser or through donations into the student's account.

Yearbook

Each year the PTA sponsors an annual pictorial account of the year with pictures of all the students and many of the activities from the year. All students receive a yearbook as it is part of the school fees.

A person may report conduct which may constitute harassment or violence anonymously. However, the school district may not rely solely on an anonymous report to determine discipline or other remedial responses.
- C. Nothing in this policy shall prevent any person from reporting harassment or violence directly to a school district human rights officer or to the superintendent. If the complaint involves the building report taker, the complaint shall be made or filed directly with the superintendent or the school district human rights officer by the reporting party or complainant.
- D. In each school building: The school principal or designee is the person responsible for receiving oral or written reports of harassment or violence prohibited by this policy at the building level. Any adult School District personnel who receives a report of harassment or

School district personnel who fail to inform the building report taker of conduct that may constitute harassment or violence or who fail to make reasonable efforts to address and resolve the harassment or violence in a timely manner may be subject to disciplinary action.
- F. Upon receipt of a report that alleges a violation of this policy as described in paragraph III. B above, the school principal or designee must notify the School District Human Rights Officer immediately. The principal or designee may ask the complainant clarifying questions to determine whether the complaint alleges a violation of this policy. The school principal or designee may request, but may not insist upon, a written complaint. If the complaint alleges a violation of this policy, a written statement of the facts alleged will be forwarded as soon as practicable by the school principal or designee to the Human Rights Officer. If the report was given verbally, the school principal or designee shall personally reduce it to written form within 24 hours and forward it to the Human Rights Officer. Failure to forward a complaint that alleges a violation of this policy may result in disciplinary action against the school principal or designee.
- G. In the District: The School District designates the Director of Special Services as the School District Human Rights Officer with responsibility to oversee administration of these procedures and to monitor compliance and to receive reports or complaints of harassment or violence prohibited by this policy. If a complaint involves the Director of Special Services, the complaint shall be made or filed directly with the superintendent.
- H. The School District shall conspicuously post the name of the Human Rights Officer, including mailing addresses and telephone numbers.

The purpose of this policy is to assist the school district in its goal of preventing and responding to acts of bullying, intimidation, violence, and other similar disruptive behavior.

SEARCH OF STUDENT LOCKERS POLICY 5156

I. PURPOSE

The purpose of this policy is to provide for a safe and healthy educational environment by enforcing the school district's policies against contraband specifically with regard to lockers.

II. GENERAL STATEMENT OF POLICY

A. Lockers and Personal Possessions Within a Locker.

Pursuant to Minnesota statutes, school lockers are the property of the school district. At no time does the school district relinquish its exclusive control of lockers provided for the convenience of students. Inspection of the interior of lockers may be conducted by school officials for any reason at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a school locker may be searched only when school officials have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. The search of personal possessions will be reasonable in its scope and intrusiveness. As soon as practicable after the search of a student's personal possessions, the school officials must provide notice of the search to students whose lockers were searched unless disclosure would impede an ongoing investigation by police or school officials.

B. A violation of this policy occurs when students use lockers for unauthorized purposes or to store contraband. A violation of this policy occurs when students carry contraband in their personal possessions within a locker.

III. DEFINITIONS

A. "Contraband" means any unauthorized item possession of which is prohibited by school district policy and/or law. It includes but is not limited to weapons and look-alikes, alcoholic beverages, controlled substances and look-alikes, overdue books and other materials belonging to the school district, and stolen property.

B. "Personal possessions" includes but is not limited to purses, backpacks, bookbags, packages, clothing, and electronic devices, but are not limited to cell phones, computers, external storage devices and other mobile devices.

C. "Reasonable suspicion" means that a school official has grounds to believe that the search will result in evidence of a violation of school district policy, rules, and/or law. Reasonable suspicion may be based on a school official's personal observation, a report from a student, parent or staff member, a student's suspicious behavior, a student's age and past history or record of conduct both in and out of the school context, or other reliable sources of information.

D. "Reasonable scope" means that the scope and/or intrusiveness of the search is reasonably related to the objectives of the search. Factors to consider in determining what is reasonable include the seriousness of the suspected infraction, the reliability of the information, the necessity of acting without delay, the existence of exigent circumstances necessitating an immediate search and further investigation (e.g. to prevent violence, serious and immediate risk of harm or destruction of evidence), and the age of the student.

E. "Weapon" means any object, device or instrument designed as a weapon or through its use is capable of threatening or producing bodily harm or which may be used to inflict self-injury including, but not limited to, any firearm, whether loaded or unloaded; airguns; pellet guns; BB guns; all knives; blades; clubs; metal knuckles; numchucks; throwing stars; explosives; fireworks; mace and other propellants; stunguns; ammunition; poisons; chains; arrows; and objects that have been modified to serve as a weapon.

IV. PROCEDURES

Portions of this policy may be printed in the student handbook and shall be disseminated to parents and students in the way other policies of general application to students are disseminated. The school district shall provide a copy of this policy to a student the first time the student is given use of a locker.

V. DIRECTIVES AND GUIDELINES

School administration may establish reasonable directives and guidelines which address specific needs of the school district, such as use of tape in lockers, standards of cleanliness and care, posting of pictures and posters which may constitute sexual harassment, etc.

VI. SEIZURE OF CONTRABAND

If a search yields contraband, school officials will seize the item and, where appropriate, turn it over to legal officials for ultimate disposition.

VII. VIOLATIONS

A student found to have violated this policy and/or the directives and guidelines implementing it shall be subject to discipline in accordance with the school district's Student Discipline Policy, which may include suspension, exclusion, or expulsion, and the student may, when appropriate, be referred to legal officials.
